The cost of the season pass is \$10, which represents a substantial saving over gate admissions, and will entitle the bearer to admission at all home interscholastic contests.

PICTURES FROM BETHEL'S PAST FEATURED THIS WEEK

Several photographs appear in this week's "Citizen" of scenes and occurrences in local history. Also reproduced in observance of Bethel's 175th anniversary and homecoming week end are facsimiles of the headings of the first issues of "The Bethel Courier," Dec. 17, 1850; "The Bethel News," June 5, 1893; "The Courier" ceased publication in July 8, 1961, as the publisher went off to the Civil War. The "News" continues as the "Bethel Citizen" today. It is believed that "The Courier" was printed in the brick building next to the present Bethel Library. The "News" "Citizen" has always been published at the present location in the Cole Block.

The quotation at the top of page one of this week's edition is the same one that appeared when the practice was instituted on June 13, 1935.

MEMORIAL SERVICE

Memorial services for the late Harry E. Mason, trustee and trustee emeritus of Gould Academy from 1939 until his decease, will be held in Bingham Hall on the Academy campus on Friday, Oct. 8, at 11:30 a.m. The public is invited. Long a friend and benefactor of Gould Academy, it is fitting that his memory should there be invoked.

LEGION STATE COMMITTEES INCLUDE TWO BETHEL MEN

Department Commander Clifford L. Quinney, of Scarborough, has announced that Maurice Bouchard has been appointed to the Internal Affairs committee and Fred A. Clough Jr., to the Maritime Committee for the American Legion.

Bouchard is presently adjutant for the Munda-Allen Post No. 81 of Bethel and Chaplain for the Oxford County Council. He has been Department Security Officer for two consecutive years, 4th District Commander, Somerset County Commander for two consecutive years, Commander of Peters-Shortier Post No. 16 of Skowhegan for two consecutive years, besides having served in other offices on the Post, County, District, State and National levels. He is the only Voyager of the 40 & 8 that has served as Grande Chef De Train Premier for two consecutive years.

Clough has been a member of the Fitzgerald-Cummings Post No. 2 of Augusta for many years, having held many offices on the Post, County, District, Department and National level. GOULD TAKES 12-6 VERDICT AT BOOTHBAY HARBOR

Quarterback Matt Stevens connected with end Keith Freeman with two touchdown passes as Gould Academy edged Boothbay Region High, 12-6, at Boothbay Harbor Saturday afternoon.

Stevens, who completed six of 12 passes and had two intercepted, hit Freeman with a 40 yard scoring pass in the second period and with a 60 yard TD loss in the third quarter.

REBEL STALWARTS that will anchor the Telstar line in Saturday's action at Leavitt are, left to right: Rex Cummings, Tim Rosenberg, Randy Olson, Frank Howard, Chris Gill, Donny Luxton and Dana Melville. The Rebels will be looking for their fourth win over previously undefeated Leavitt.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

Gravel is now being applied to the T. R. I. F. project on Grover Hill. Work will be completed next week. The improved section of the road will be extended approximately 1/4 of a mile when the year's work is done.

The total expense of the Rabbit Road Bridge was very close to \$5,000. This was about what was estimated when the budget was compiled. At town meeting we asked for \$3,000, to purchase materials, with the balance to come from the regular funds in the Highways and Bridges account.

The selectmen at their meeting held Monday night, requested from the Manager and Road Foreman a comprehensive report on equipment needs so a determination may be made as to what will receive priority. After a lengthy discussion, with Foreman Davis and the Manager explaining to the Board the problems that must be faced in the near future trading other equipment, it was decided a thorough study must be made prior to the purchase of a bulldozer. All agreed we must be conservative in purchasing this machine as there are others we need more.

REBELS DEFEAT MONMOUTH FOR THIRD WIN IN ROW

In a game plagued by fumbles and penalties Telstar Regional High continued their winning ways with a 13-0 victory at Monmouth Academy, Saturday.

The Rebel attack was led by Levi Brown, Doug Brooks and Peter Blake, as the trio continually ripped at good yardage against the Monmouth defense. Telstar got on the scoreboard in the second period when Peter Blake scored on a 12-yard run over line blocks provided by Chris Gill and Donny Luxton. Rex Cummings' kick for the point after put the Rebels out front 7-0.

Telstar's second tally came in the fourth period when Al Yorke broke off tackle to reach paydirt. Cummings conversion kick failed.

Telstar outplayed Monmouth all the way, as the Rebels rolled up a total offense of 239 yards while holding the Monmouth offense to only 49. Telstar missed several scoring opportunities to the misfortune of fumbles and penalties. The entire fourth period was played on the Monmouth half of the field as the Rebels continually battered and amazed the bruised Mustangs.

Officers and State Chairmen of the Kimball Family Association met with their president, Herbert E. Kimball, Rochester, N. H., at the Dustin Room of the New Hampshire Highway Motel, Concord, N. H., on Saturday, Sept. 25.

The reports of the 1971 reunion held at Bridgton Academy, North Bridgton, Maine, were heard, and plans for 1972 initiated.

By unanimous vote the next reunion will be held Aug. 19, 1972, at the New Hampshire Highway Motel, Concord, N. H.

The members of the Association will be asked to bring exhibits of their hobbies, even demonstrations, if their hobby is making a craft.

President Herbert Kimball reported that the committee on incorporation study has begun their work.

Communications were read from Senator Florence B. Reynolds, Orma-

ha, Neb., Dr. Charles N. Kimball, Jr., Kansas City, Mo., and Wm. G. T. Hyer (reunion photographer), Chicago, Ill.

Mrs. Estella Kimball Martin discussed the continued sale of the Family Genealogy Reprint, which it is hoped all members will wish to have for reference for the correct establishment of their lineage.

Mrs. Eunice Kimball State Chairman for Connecticut, reported on her contacts there.

Mrs. Elizabeth Mason Carter stated that the next Kimball Newsletter will come out in late October with a reunion and future plans report.

Attending this meeting and luncheon besides President and Mrs. Herbert E. Kimball were Mrs. Estella K. Martin, Rumford Point; Mr. and Mrs. Carleton Champe, Rumford Center; Mr. and Mrs. G. Myron Kimball, Lovell, and Mr. and Mrs. John Fitts, Fryeburg; Mrs. Elizabeth Mason Carter, West Bethel; Mrs. Alton Kimball, Hopkinton, N. H.; Mr. and Mrs. Stanley Whitaker, Reading, Vt.; Mrs. Eunice Kimball, Middletown, Conn., and her niece, Mrs. Alice Hambrick, Claremont, N. H., and Rupert Kimball, Nashua, N. H.

The next meeting will be called by the president for a November date.

TELSTAR SPORTS THIS WEEK

Football action this week will find the Rebels involved in what might be considered the game of the week in Mountain Valley Conference play, Saturday action will find previously undefeated Leavitt acting as host to unbeaten Telstar. The only remaining undefeated conference school is Lisbon who must face Monmouth this week end.

The Rebels will face their toughest test to date when they meet the Leavitt High Hornets at Turner Center. The Hornets have displayed good ability to score and its defense has allowed only 12 points by the opposition. The Rebels have also proven their ability to score and have a defense that has allowed only six rival points.

The Telstar J. V. football team with a 2-0 record will meet the Leavitt J. V. Monday at Telstar.

Thursday will find the Telstar Rebels traveling to Berlin, N. H., for a 3:30 field hockey game.

10 UMF SENIORS CONDUCT ENVIRONMENTAL EDUCATION PROGRAM AT BRYANT POND

Ten seniors at the University of Maine at Farmington conducted a week-long Student Teacher-Student Environmental Education Program at the Maine Conservation School, Bryant Pond, this month.

The pilot project, attended by more than 40 junior high school students sponsored by the Maine National Bank, included numerous ecological, environmental, and nature programs as well as morning duties, speakers, recreation and free time.

Coordinating the program with the student teachers were Marshall Wiebe of the Conservation Education Foundation of Maine, Dr. Stephen Godomsky of UMF, and Dean Bennett of Maine Environmental Education Project. A three-day training program for the student teachers was held at the school prior to the week-long session.

The UMF students were Sandra Small, Gardiner; Jerome Poulin, Winslow; Ronald Ready, Detroit; Mark Rosborough, Ellsworth; Cleon Fletcher, Dixfield; James Pulsifer, West Peru; Joanne Davis, Albion; Ernest Barnes, Robbinston; Daniel Johannes, Farmington; and Donald McCallis, Pittsfield.

NRA SAFETY COURSES

The Maine Fish and Game Department has broken down the state's 16 counties into several regions for this year's hunter safety courses.

York and Cumberland will make up Region 1; Oxford and Androscoggin, Region 2; Franklin, Somerset and Kennebec, Region 3; Sagadahoc, Lincoln, Knox and Waldo, Region 4; Penobscot and Piscataquis, Region 5; Hancock and Washington, Region 6; and Aroostook, Region 7.

Emphasis of the expanded program, according to Safety Officer John F. Marsh, will be on training people, and several improvements in the program have been geared toward the courses themselves.

Although the program itself will remain purely voluntary, Marsh said, one instructor will be named to oversee the program in each region.

The expanded program this fall is a result of new federal funds that are available for hunter safety instruction.

COUNCIL COMMENTS

Even with our team's 3-0 record, nerves are somewhat on edge this week with our up-coming away game with Leavitt, Saturday, who also has a 3-0 record. Walking down the corridors of Telstar if one listens at all, one will hear the mention of "the Leavitt game" very often. Everyone's sentiments are more or less the same: Good luck guys! Class and club elections have been occurring these last two weeks. A lot of plans are being made to "get something going" by all involved.

The Student Council Public Relations Committee, of which I am chairman, last year decided that something should be done about Telstar's obvious minimal publicity in the more widely circulated means of communication, such as the daily newspapers. Betsy Stowell and I get representatives and/or the advisors from the organizations in the school together to discuss the problem. I was pleased that we received so much cooperation. We are very optimistic as to the results of this meeting.

Betsy hasn't been feeling too well lately, but she soon will be back to helping me write this column. — Roberta Croteau.

It was voted to buy a poncho and to accept donations on the same, to be awarded at the supper in November.

Barbara Cash is having a Stanley party Oct. 3 at the Union Church.

**A SURPRISE PARTY ON SUNDAY RIVER**  
Sunday, Sept. 25—bright, clear and cold. I was upstairs making a bed when in came Peggy with a "Good morning, 'You busy?' I am just now was my reply. "Just came in to tell you not to plan on any dinner, because we are coming down later and bring dinner with us" she says and away she went.

Long about 11 a. m. in Peggy and Blake, came loaded with dishes and budgets and this and that.

A few minutes later in came Barbara, Darnita, Elden and Edwick, more budgets etc and "Happy birthday Grammie"—then in drove Lawrence and Grace from South Paris, then came "Buddy" (Bryce that's), then came Loretta Merrill, Rusty and Samantha, also Pamme Lynne and Lorna Lee Carter. A few minutes later Viva, Wendall and Wynona Whitman from Norway with more gifts, cards, budgets and bundles with "Happy Birthday" wishes. Oh yes, Helen Strout came with Viva.

Later in the afternoon Russell came home from work, and Josephine Tripp dropped in, so what more could any one wish for a birthday. It sure was a happy surprise and thanks to each and all for a lovely day.

Last but not least here came Laura, Gregory, and Lucy all from Sydney, all hands brought sandwiches, cakes, cookies, brownies, potato chips, as well as cool aid, etc. I hope no one left hungry.

Again "thanks" to one and all for a lovely day, long to be remembered. What would I do without my family of good 'boys and girls', that includes the in-laws too.

The picnic lunch was "topped off" with a beautiful orange chiffon cake, covered with white frosting and pink roses—that was as "Pamme Lynn said "delicious." Peggy made and decorated the cake for yours truly, Eva H. Yates.

## ALBANY HUNT'S CORNER AND VICINITY

— Harlan Bumpus, Correspondent —

The final church service was held Sunday, Sept. 26, at which time Mrs. Wentworth became the sixteenth new member to join this year. We have enjoyed the Rev. and Mrs. Wentworth's ministry through the summer months and appreciate all they have done to build up the church.

Mr. and Mrs. Linwood Andrews and daughter Lyn and Mr. and Mrs. Wayne Andrews and daughter Kelley have been staying with Mr. and Mrs. Ray Andrews and helping to get water piped into the former Lute Andrews house.

Mr. and Mrs. Joe Hatstall and two boys of Brownsville, Vt., and her mother, Mrs. Laura Pinkham; Mrs. Daisy Kimball and Miss Ivy Philbrook; and Mrs. Eleanor Stearns of North Waterford were recent callers at Hugh Stearns'.

HUNTING REGULATION  
CHANGES EMPHASIZED

Although the deer hunting zones have not been changed, the 1971 Maine Legislature did establish new dates. The Legislature also enacted a new license fee schedule but it does not take effect until 1972.

The Maine Fish and Game Department's 1971-72 hunting and trapping law summary booklet lists the new fees but, again, they will have no effect until the coming year.

Among the legislative changes are that driving of deer anywhere

in the State is prohibited, starting this fall season of 1971, during the firearms season on deer. It shall be unlawful to hunt any bird or animal except raccoons after sunset and it is unlawful to hunt wild birds or animals from any public way (thoroughfare or road) in any municipality except with a shot gun and shot no larger than No. 6.

Also by action of the Maine Legislature, the wearing of hunter orange in the southwestern Maine test area is required by law. This applies to both 1971 and 1972 seasons.

CIVIL DEFENSE EXERCISE  
TO OCCUR OCT. 2

Several hundred state, county, and local Civil Defense and Public Safety employees and volunteers will gather at their respective Emergency Operating Centers throughout Maine Saturday, Oct. 2 from 9 a. m. to 3 p. m. to conduct and take part in Exercise CDEX-71.

Problems concerning nuclear warfare and its effect on the population will be the main theme of the exercise, according to Emmett A. Levesque, director of Maine Civil Defense and Public Safety agency.

Also attending and taking part will be volunteers from many State and Federal agencies concerned with survival after nuclear detonations, he added.

For the first time, there will be a joint exercise with the Maine Area Command First U. S. Army with Maine National Guard attending in each county and at the State Civil Defense EOC, he concluded.

SNOWMOBILE REGISTRATIONS  
WAY AHEAD

As of the end of August 1971 snowmobile registrations were running almost twice as much as last year. Lorenzo J. Gaudreau, director of snowmobile registration for the Maine Fish and Game Department, said that 533 certificates were issued in July of this year, and 709 last month for a total of 1,302. Over the comparable months in 1970, only 699 certificates were made out, he said. "This shows that people are thinking ahead now and not waiting until the last minute to get their machines ready for the coming season."

The figures include new and renewal registrations, duplicates, dealers and transfers.

Total funds taken in so far this year come to \$14,005, as opposed to just over \$7,000 last year. During the 1970-71 season, a total of \$43,821 certificates were processed.

At a ceremony in First Congregational Church, Salem, N. H., on Sept. 18, 1971, Miss Irene H. Haines, daughter of Edward A. Haines, Bethel, Maine, and the late Mrs. Haines, became the bride of Boyce W. Martin, son of Mrs. Boyce Martin, Main St., Salem, N. H., and the late Mr. Martin. Rev. Robert N. Spalding officiated.

Given in marriage by her father, the bride wore an A-line gown of white organza featuring a sculptured neckline, empire bodice and bishop sleeves appliqued with Venice lace, and a chapel train. Her veil of silk illusion was attached to a caplet of Venice lace. She carried a cascade of white miniature carnations, yellow roses and stephanotis.

Attending her as matron of honor was Mrs. Catherine Arrey, John E. Mincek, brother-in-law of the groom, served as best man.

## WHAT IS GLAUCOMA?

Glaucoma is characterized by a slow, progressive loss of visual fields followed later by loss of central vision. In a person over forty, it is a real danger. Anyone who requires frequent changes of lenses, has mild headaches, sees halos around electric lights or has trouble adapting to darkness should be suspect.

Using a device called tonometer, which measures intra-ocular tension, glaucoma can usually be detected. There are many prescription drugs that we have available, drugs called miotics which are useful in helping to control glaucoma. Everyone should have their eyes checked periodically but for older people, it is essential. Uncontrolled glaucoma can result in absolute blindness.

Due to the increased number of prescriptions and in order to keep up good service, it would be to our mutual advantage, if you would please phone in re-fill prescriptions. — Thank you.
